

17th Meeting of the COSCAP-NA Steering Committee (SCM)
Busan, Republic of Korea 10 to 12 May 2017

Information Paper 10
ROK TRAINING PROGRAM FOR ICAO MEMBER STATES (DEVELOPING COUNTRIES)
(Presented by Korea Civil Aviation Association)

SUMMARY

The purpose of this paper is to provide an information relating to status and performance R.O Korea-ICAO FTP Program and attract the attention of this Program to other countries.

1. INTRODUCTION

1.1 After the war in 1950, it is destroyed all industries in R.O Korea and aviation has never been an exception. With the support of many countries for aviation safety, under the UNDP/ICAO agreement, Civil Aviation Training Center (CATC) was established in 1984 to conduct systematic aviation training and has made many improvements after then. Nowadays R.O Korea is supporting the aviation safety of developing countries though the invitation of aviation worker in developing countries and on-site training.

1.2 This paper provide an information regarding status and performance R.O Korea-ICAO FTP Programme and attract the attention of this Programme to other countries.
